MEMORANDUM FOR: Deputy Director for Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: HUMINT Committee - Status Report

1. You may want to look at this in connection with the item I put on the agenda for next week's Conference  and also in connection with the change you are making in the Central Reference office.

25X1

2. Is there someone you have in the DI who might take an independent look at where we are and what we might be doing about getting more accredited literature and electronic data bases?

William J. Casey
